*** Statement on diversity and inclusivity: BioCanRx is committed to being a diverse and inclusive Network. We encourage applications from women, members of a visible minority group, aboriginal people and persons with disabilities. These questions are not tied award decisions; they are a tool that will allow BioCanRx to monitor the equity performance of its programs.*

Please answer the following questions directly in this document:

1. What cancer type do you have lived experience with: _____
2. Please indicate which option best describes your experience:
 Current Patient Former Patient Current Caregiver Former caregiver
3. In one or two sentences, please describe how you learned about the Learning Institute:
4. Have you previously participated in a patient-oriented training activity (for example, CCRC's Patient Involvement Program, AACR's Scientist-Survivor Program or others)? If yes, please list them.
5. Please tell us a little bit about yourself including your lived experience with cancer and whether you have had exposure to cancer immunotherapy research or treatment.
6. Are you currently engaged with any cancer-related groups (e.g., advisory, research or not-for-profit organizations)? If so, please describe your engagement.
7. Why are you interested in participating in the Learning Institute and what are your primary goals?
8. How do you plan to implement your take-aways (knowledge sharing or introductions to individuals you wish to further engage with, participation in research as a patient partner?)
