What size should my poster be?

The maximum poster size is 45.5" wide x 45" high. This will ensure two posters will fit per board to allow posters to remain posted for the entirety of the conference.

Do I need to include my poster number somewhere on my poster?

No, the poster numbers will be supplied on-site. Look up your abstract/poster number and assigned poster session in the meeting book.

Where and how do I put up my poster?

Poster boards will be set up in the Grand Foyer & Salons DE. You'll need to find the poster board number that matches your abstract number in the meeting book. Pushpins or Velcro tabs will be provided to put up your poster.

When do I need to present my poster?

You will be assigned a poster session; **either:**

Poster Session 1: Sunday, March 29th, 4:30 – 6:30 pm

When do I take down my poster?

Posters must be removed by 2:00 p.m. on Tuesday, March 31st.

Are the posters being judged?

Trainees (undergraduate students, graduate students and postdoctoral fellows) who submitted their abstracts before the travel award deadline will have their posters judged.

When will my poster be judged?

Posters will be judged during the first hour of your respective poster session. Please stay by your poster during this time in order to be adjudicated.

Will I know who is judging my poster?

A minimum of two scientific judges will be assigned per poster and two patient partners will be judging plain language summary posters (if applicable). They may announce themselves, but they are not obliged to do so.

When is the Poster Awards presentation?

The Awards Ceremony is taking place 1:30 – 2:15 on Tuesday, March 31st. Good luck!
